Frequently Asked Questions

Q: What's the price?

A: The Registration Special for Blu-ray is \$25 (instead of \$50 later), and for Standard DVDs it's \$20 (instead of \$40 later). That's HALF OFF the full price! Save money by pre-ordering NOW!

Q: When will the *Senior DVD Collection* be ready, and how will I get mine?

A: Since it includes the FULL Graduation Ceremony, the DVD Collection will be available in late June 2020. Orders can be picked up in the high school's Main Office. Information will be emailed to the address you provide. Save your receipt!

Q: Will events be included in their entirety?

A: YES! The Senior DVD will include the FULL Graduation Ceremony, the FULL Powderpuff Game, the FULL Special Olympics Game, the FULL Homecoming Parade, the FULL Homecoming Assembly, and the FULL Homecoming Halftime Ceremony.

Q: Graduation is included in the *Senior DVD Collection*?

A: Yes, the COMPLETE Graduation Ceremony IS included in this collection!

Q: Why is it called a "*Collection*"?

A: The Senior DVD Collection is multiple discs. There's no way we can fit everything onto one disc while maintaining a high level of visual quality. So, the Senior DVD Collection is actually at least 4 discs. The price is all-inclusive; you are paying for the bundle.

Q: How long will the *Senior DVD Collection* be?

A: Approximately 7 HOURS!

Q: Can I (or my friends) buy the *Senior DVD Collection* online instead of in-person?

A: YES. Go online to the school's Pyschools website or through the InfoSnap Registration process. The Registration Special is valid until the school year begins. **Many people make the mistake of waiting to buy it later in the year, and therefore they end up paying more; don't make that mistake!**

Q: Are these DVDs worth it?

A: Yes, we think so! And so do professionals who work in video production. Recent editions of the LOHS Senior DVD Collection have won awards at the state level, and Dragon Broadcasting was named the 2019 "*Best Overall Broadcast Program*" in the NATION. Our TV/video students are learning what it takes to produce professional work, and they utilize those skills to produce this memorable keepsake for you. **\$20 or \$25 is an outstanding value for a lifetime of memories!**

Q: Aren't these videos all on the web for free?

A: Yes, *some* of these events are housed on our website temporarily, but they will NOT be there forever. The only way to be sure YOU have your own copy is to purchase your own Senior DVD Collection.

Q: How is this any different from the videos I'll shoot on my smartphone at these events?

A: These DVDs are broadcast level with multiple cameras and good sound and quality production. That's different than what you get when you shoot video on your phone.

Q: Is this a fundraiser for a school group/club?

A: **Yes!** All proceeds benefit the Dragon Broadcasting program and students. We are very fortunate to have a TV studio and editing facilities, and the money raised from this project helps us remain current with software and equipment.

Q: Who is "Dragon Broadcasting"?

A: "Dragon Broadcasting", or WDBC, started in 1970 at Lake Orion High School and has developed into Michigan's top high school video & broadcasting program. "Dragon Broadcasting" refers to the video/broadcast program at LOHS. We offer over a half-dozen courses, and you can read about them at www.dragonbroadcasting.org.

Q: If I have any other questions, who do I contact?

A: Feel free to email Dragon Broadcasting Adviser Roger Smith at roger.smith@lok12.org.
